

Прямоугольные каналные электрические нагреватели:

EKS - стандартная модель каналного электрического нагревателя

EKS NV PTC/PC - автономные каналные электрические нагреватели (преднагреватели для установок RIS ЕКО), с датчиком давления и датчиком потока воздуха

EKS NV - нагреватели со встроенным регулятором и внутренней уставкой (**Цена по запросу**)

EKS NI - нагреватели со встроенным регулятором и внешней уставкой (**Цена по запросу**)
